## 2025 farOpen Studios Art Trail

A vibrant celebration of the region's creative talent run by local artists. Entrance is free to all venues/events.

Open to all artists, this art trail is a celebration of the quality and diversity of visual art found within the Forest of Dean and along rivers Severn and Wye. It includes ceramics, book art, drawing, painting, printmaking, enamelling, jewellery, paper art, photography, sculpture, stone carving, wood carving, wire work, pyrography, glass, cyanotypes, mosaics, decoupage, tapestry weaving, upcycled textiles, kinetic art, willow weaving, basketry, furniture, wooden kitchenware, artist film, silk ribbon embroidery, leather work, botanical pressings, laser engraving, silversmithing.

Venues range from artists' homes, studios and gardens to pop-up exhibitions in churches, cafes, galleries, shops and other wonderful venues.

Visiting working studios provides a fascinating insight into artists' creative space. What's more, artists love to chat about their work and their inspirations; it's even better if they can show, not just tell!

# How do I find ....

## .... venues

Studios are listed in alphabetical order by first name **or business name**. Plan your route using the map and index, or leaf through the brochure, noting studio numbers, then find them on the map.

You can also search our interactive map and digital brochure on [farOpen.co.uk](http://farOpen.co.uk).

There are What3Words identifiers for venues, preceded with ///. When using W3W, after finding your location, go to NAVIGATE. This gives you a choice of navigation tools like Google Maps.

There will be ample signage for each studio.
